

**FRESENIUS  
BIOTECH**

Invitation to the 10th

## **Fresenius Biotech Satellite Symposium**

ON THE OCCASION  
OF THE 36TH EBMT 2010

Vienna, Austria Center Vienna (ACV),  
Bruno-Kreisky-Platz 1

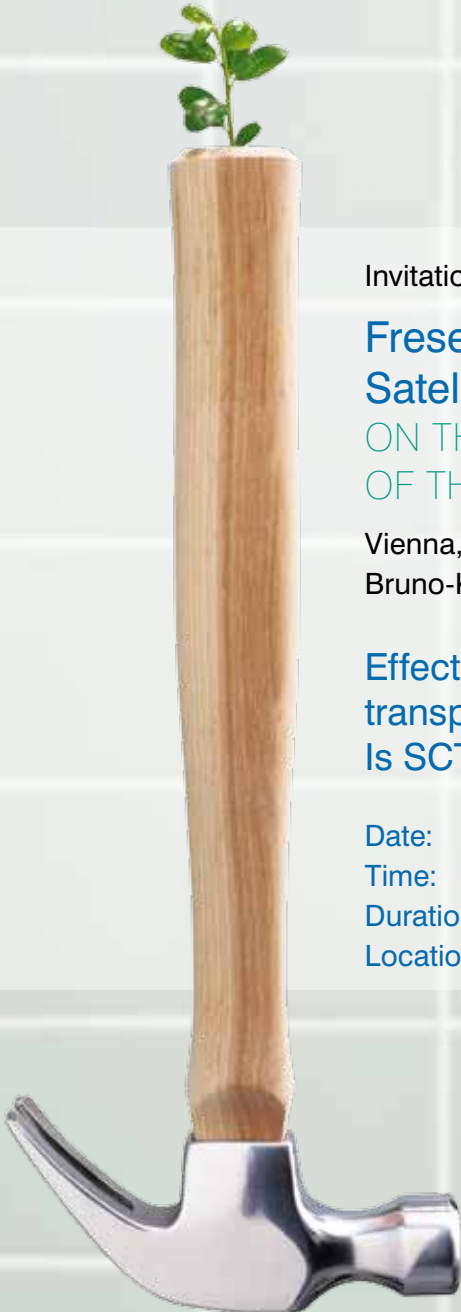

**Effect of stem cell source on  
transplant outcomes:  
Is SCT going back to the roots?**

**Date:** Sunday, March 21st 2010

**Time:** 16:00 – 17:30 h

**Duration:** 90 minutes

**Location:** Hall G/H

Effect of stem cell source on  
transplant outcomes:  
Is SCT going back to the roots?

*Chairman: W. Linkesch, Graz*

# AGENDA

- 16:00 – 16:10 h **Effect of stem cell source on transplant outcomes: Is SCT going back to the roots?**  
*Chairman: W. Linkesch, Graz*
- 16:10 – 16:30 h **Stem cell source and chronic GvHD**  
*H. Bertz, Freiburg*
- 16:30 – 16:50 h **The best alternative donor: haplo-identical vs. mismatched vs. cord blood**  
*W. Bethge, Tübingen*
- 16:50 – 17:10 h **The role of stem cell source in family-mismatched transplantation**  
*F. Ciceri, Milano*
- 17:10 – 17:30 h **BM and PBSC: the importance of cell numbers in HLA-identical sibling transplants**  
*F. Bonifazi, Bologna*
